

Thetford Netball

Summer league is over but preseason is starting!

After the wettest summer league known to man, it's a wrap! But what is around the corner?

It's probably one of the wettest summer leagues we have ever seen as a club, with many divisions being cut short of games and others finishing weeks after they were meant to. There have been a lot of highs through this season with 3 teams winning their respective divisions. Not a single team finishing at the bottom of their divisions. Some of those goal differences need to be noted too, well done to you all. And of course a big thank you for all the support from parents, family and friends at each game, thank you to players supporting other teams and of course our club coaches, Sue, Gill and Laura.

Preseason has already begun for our seniors. Training is every Thursday night from 6:30-8:30 (light depending) on the outdoor courts. Juniors will be returning on Tuesday 20th August 6-8 on the outdoor courts. Each session is £4, payable on the night. As of September both sessions will move indoors and training will resume as normal (you will be told at the last training session or via email, of training timings)

U12's

FINISHED 1ST PLACE IN THE PAUL'S WEST SUFFOLK SUMMER LEAGUE

I'd like to Thank Sue for giving me the opportunity at being captain for the under 12's. We have played so well this summer season and just liked seeing each other and making sure we were all happy and enjoying and it payed off by winning our league. We have all grown in confidence and I love playing netball even more.

Abby Clements

U14A

FINISHED 1ST IN THE ZENA'S WEST SUFFOLK SUMMER LEAGUE

The U14A team have had a great season and all members of the team have worked really hard. We gelled as a team early on and made sure we listened to each other and definitely to our coach! We won every match that we played but kept working to get more goals even though we knew we were in the lead!

Sophie Peace

U14B

FINISHED 7TH IN THE ZENA'S WEST SUFFOLK SUMMER LEAGUE

This has been the first season to have a second under 14 team in the league. The girls went out as under dogs. They did not disappoint. They won their first game of the season and this completely changed their mindsets. We played against a Haverhill team and they lost the first half of the game, only to pull it back to a draw at full time. The girls built on their personal games and took everything that was asked of them into their games. This had huge positives on the team. I am so proud of them.

E

FINISHED 1ST IN DIVISION 6 OF THE WEST SUFFOLK SUMMER LEAGUE

The E Team have had a very strong season this year, managing to place first in the division six league. We had a real mix of players and as captain it was a pleasure to watch them progress and bond as a team. As shooters we had myself, Jan and Carmen. Jannine improved massively over the season and is quickly becoming a confident shooter. In centre court Hannah, Sue and Natasha carried the ball back and forth, with the help of Brannan who was a true asset to the team and also stepped up as a defender. Heidi and Izzy worked well together as a unit in defence managing to get many turn overs. The team faced some tough competition such as Breckland but we were determined not to give up and this resulted in our six wins in a row.

D

FINISHED 4TH PLACE IN DIVISION 6 OF THE WEST SUFFOLK SUMMER LEAGUE

The D team had an amazing start.

Beginning the season with winning 55-8 against Jubilee Jays. Our luck and skill secured us a couple wins.

Unfortunately we didn't come out on top this season, but as the captain I can say that I am proud of the girls for not only trying their hardest during every game, but not letting losses get in the way.

B

FINISHED 5TH PLACE IN DIVISION 2 OF THE WEST SUFFOLK SUMMER LEAGUE

This season has seen the B's have have some excellent games where we out classed teams, had some losses and had others that were too close for comfort that we made unnecessarily hard work for ourselves. However on the whole we grew stronger as a team towards the end winning our last few and managing to keep our position in the division! At the end we were implementing tactics that allowed for a much more strategic game! Overall a good season which saw many players gain more experience, skills and become overall stronger players with a great team bond and report at the end of it all. I have loved playing with them they are all the most incredible bunch of girls and we have always had fun along the way. Not losing sight that we all need to enjoy the game just take from things that we can learn from, do better with and go back stronger prepared for!

A

FINISHED 3RD IN DIVISION 1 OF THE WEST SUFFOLK SUMMER LEAGUE

This season seen the A team go out with more new recruits. We lost our captain and experienced shoot Charlotte, due to work commitments.

Fortunately it didn't take us long to settle as a team.

We can take positives from this season and put into our respective games for the winter.

We have to remind ourselves even if we go a few goals down that the game isn't over and we can turn it around.

Think the highlight for many of us was beating Suffolk Police, I might just add we were the only team to do this in the summer league 😊.

Thanks for making my first season as A team captain as enjoyable as it has been.
